

SHILEY EYE INSTITUTE
UC SAN DIEGO

The Viterbi Family
Department of Ophthalmology

The health and safety of our patients and staff is our highest priority. While some of these measures may pose an inconvenience, we appreciate your understanding and thank you for your assistance.

UPDATED SAFETY INITIATIVES TO PROTECT PATIENTS & STAFF

- The facility is thoroughly cleaned & disinfected multiple times daily.
- Examination rooms are carefully sanitized upon the conclusion of each patient exam.
- For patient safety, physicians & healthcare personnel will be wearing masks, continually wash hands & social distancing when possible.
- Only the patient with an appointment may the enter facility unless need accompaniment.
- To accommodate social distancing in the lobby, please arrive no sooner than 15 minutes prior to appointment.
- Patient will be able to wait outside or in their vehicle prior to appointment.
- At the entrance of Shiley, each patient & staff member will be checked with a non-contact thermometer & asked to sanitize their hands.
- UC San Diego Health has mandated (in accordance with state & local policy) that all patients & healthcare workers wear a mask – Shiley will provide patients with a mask if they arrive without one; the mask is to stay on for the entire visit.
- Upon entry into the facility & throughout visit, each patient will be asked a series of health screening questions.
