

Retina

Assistant, Associate or Full Professor

The Viterbi Family Department of Ophthalmology at UC San Diego (<https://health.ucsd.edu/specialties/eyes/Pages/default.aspx>) is committed to academic excellence and diversity within the faculty, staff, and student body. The Department is seeking an experienced and dynamic candidate as a professor in Retinal Ophthalmology.

The successful candidate will lead a unified division in clinical care at multiple sites, educational programs, provide high quality training to medical students, resident and fellows, and participation in clinical and/or basic research.

Candidates must have an MD, MD/PhD or PhD. Candidates with an MD must be Board eligible or Board certified in Ophthalmology. Candidates with an MD must have or be eligible for a California medical license or equivalent certification/ permit as determined by the Medical Board of California.

Candidates with experience with medical and surgical procedures in diagnose retinal and vitreous diseases including and not limited to macular degeneration, diabetic retinopathy, and retinal detachment are preferred.

The appropriate series and appointment at the Assistant, Associate or Full Professor level will be based on the candidate's qualifications and experience. Series will include Ladder Rank, In-Residence with secured extramural funding and Clinical X, HS Clinical and Adjunct.

A link to full descriptions of each series is provided for your review:
